This event is dedicated to the memory of Mike Stevens, who was lost in 2013. Stevens, from nearby Salisbury, was a fan favorite and a winner at some of the region's biggest race tracks in his Sportsman and Pro Stock racing career.

Stevens was key in helping the current ownership of Petty Raceway in preparing the facility for re-opening in 2011. Stevens is missed by all in the motorsports community and is honored annually as the best in the region come to Petty Raceway to compete for the Mike Stevens Memorial title.
